During its meeting of 25 January 2005, the Commission reviewed and approved the final design for the replacement of the Benning Branch Library located at 3935 Benning Road near Minnesota Avenue. The revised design responds to previous comments and has improved from the initial presentation.

Any additional changes to the design should be submitted to the Commission for review. The Commission looks forward to the review of other projects for the District of Columbia Public Libraries. The staff is always available to assist you.
