If Buyer(s) is in default of this Agreement, Buyer(s) agrees to pay Contractor’s attorney’s fees equal to 15% of the defaulted amount or as otherwise allowed by applicable law. Buyer(s) also agrees to pay any other costs or expenses of repossession or collection as allowed by applicable law.

Substantial completion is defined as the job being materially completed, functional as intended, and a final inspection, permit or occupancy certificate, as the case may be, having been obtained. If after paying all amounts due under this Agreement, Buyer(s) alleges that Contractor’s work is defective in any respect, Contractor, without waiving any of its rights, shall cause an inspection of the work and perform any remedial work to the extent Buyer(s) is entitled to under this Agreement or Contractor’s warranty at no cost to Buyer(s).

Buyer’s Representations: Buyer(s) represents and warrants that (a) Buyer(s) owns the premises where the products and/or services are being provided by Contractor; (b) to the extent not otherwise prohibited by law or otherwise indicated in this Agreement, Buyer(s) will pay all taxes and permitting fees required for Contractor to perform this Agreement; (c) Buyer(s) will provide Contractor with reasonable access to the premises, including access to electrical outlets as may be required by Contractor; (d) Buyer(s) shall be responsible for the preparation, moving, and reinstalling of all wiring, water lines, power lines, plumbing, and the moving of any shrubs, plants, or other items as required by Contractor under this Agreement; and (e) Buyer(s) acknowledge(s) that any excess material not used by Contractor shall remain the property of Contractor and will not be considered part of this Agreement.

Contractor’s Responsibility: Contractor accepts no responsibility for any damage resulting from structural or other defects in the property at which work is performed under this Agreement. Each party shall be responsible for its own fees and costs, unless otherwise determined by the arbitrator; however, the party demanding arbitration shall pay the applicable filing fee. This agreement to arbitrate, and any award, finding or verdict of or from the arbitration, will be specifically enforceable under the prevailing law of any court having jurisdiction. Any arbitration proceeding brought under this Agreement, and any award, finding or verdict of or from such proceeding shall remain confidential between the parties and shall not be made public. Buyer(s) agrees that Buyer(s) will not assert a Claim on behalf of, or as a member of, any group or class in either an arbitration proceeding, a private attorney general action, or in any other forum or action; however, this limitation does not apply to any lawsuit or administrative proceeding filed against Contractor by a state or federal government agency even when such agency is seeking relief on behalf of a class of buyers.

Good Afternoon Mary,

Hope all is well, nice speaking you yesterday and appreciate the help on what you need to get this approved.

As mentioned, mechanical lock is the term we use for “hand crimped”. I revised the proposal to specify what type of metal we will use and that we will mechanical lock the ridge. The homeowner picked a grey color for the roof but we prefer the OGB to tell us what color is accepted.

I have pictures of the existing seam width. The steel pan we will install will have the same seam width as existing.

All other information that was sent to me in the attached was accurate.

Hope this is all the information you need, please let me know if there is anything else!
