Golden Triangle Business Improvement District Permanent Public Art

19th Street Rain Gardens Permanent Public Art

PROJECT OVERVIEW

Three permanent sculptures by artist Foon Sham will activate and enliven the 19th Street Rain Gardens. The works will replace the three existing and temporary sculptures at 19th and L Streets with permanent and more durable artworks.

PROJECT OVERVIEW & GOALS

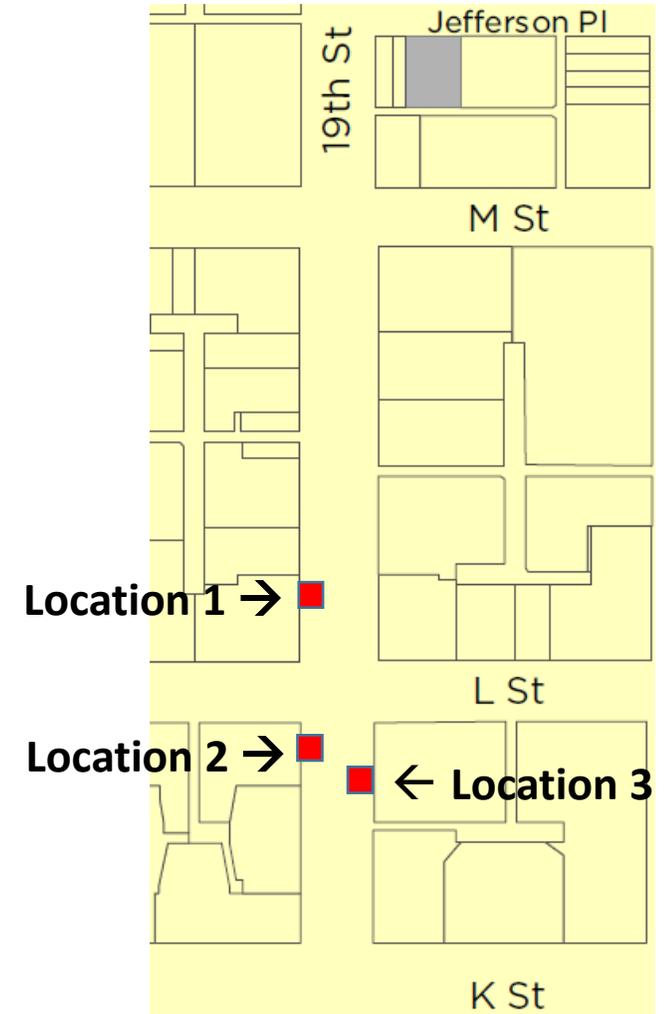

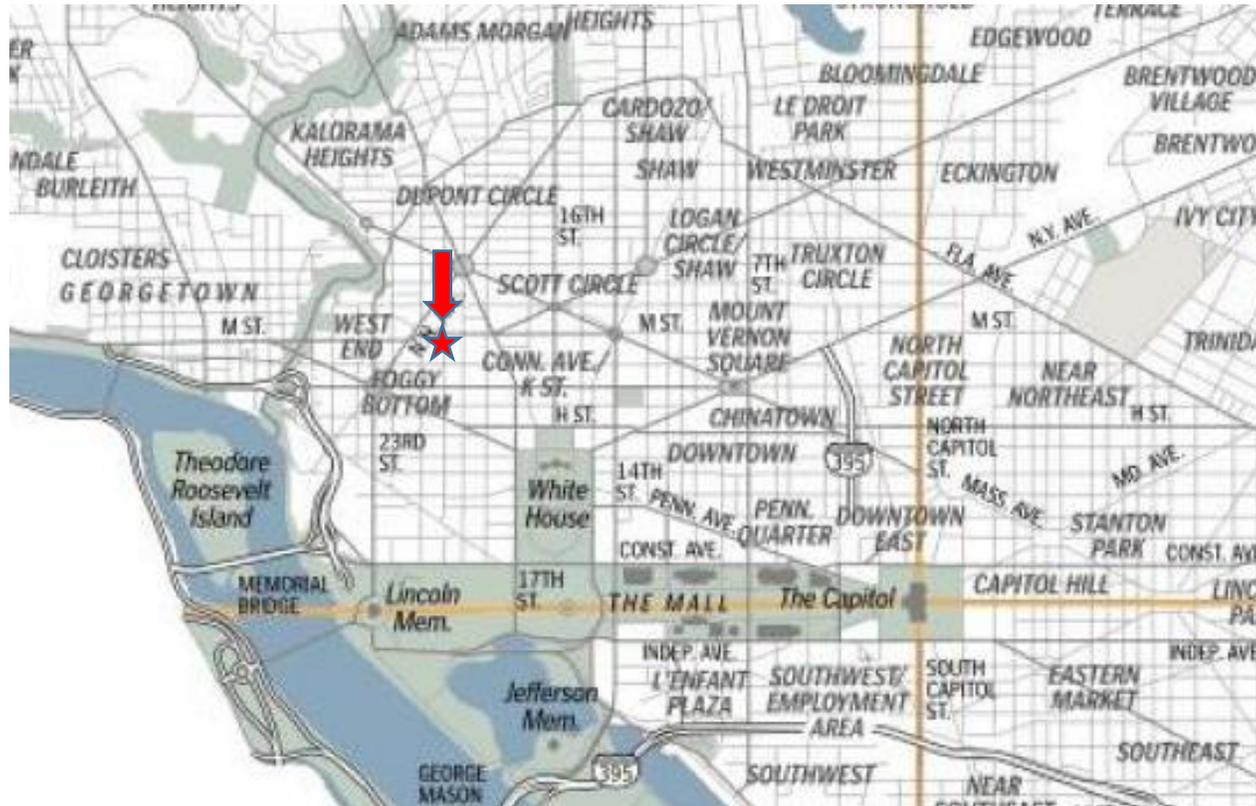

PROJECT GOALS

- Install artworks that act as a beacon, creating both drive-by and pedestrian interest.
- Showcase dynamic and distinctive contemporary artworks that enhance the neighborhood.
- Soften or humanize the busy locations.
- Select artworks that complement their locations.
- Build on the success of the current rain gardens.
